Phase Two Award Notice

This is a written award announcement to all interested parties. The U.S. General Services Administration (GSA) will make phase two contract awards under the Alliant 3 Governmentwide Acquisition Contract (GWAC). GSA has determined the continuation of the phased award approach for the Alliant 3 GWAC to be in the best interest of the Government and in accordance with Solicitation Section M.3, Evaluation Process. This announcement fulfills the notice requirements in FAR 5.3, Synopses of Contract Awards, as the second phase award notification for the Alliant 3 GWAC.

GSA appreciates the robust competition for the Alliant 3 GWAC. There were 133 proposals received in response to the solicitation. After review and evaluation in accordance with the criteria established in the solicitation, GSA has selected 24 eligible offerors for phase two contract award. Offerors not identified in the attached document, **Alliant 3 Phase Two Award notice**, were not selected for phase two contract award and remain eligible for further award phases until all 76 awards (plus ties) are complete.

Offerors not identified in the attached document, Alliant 3 Phase One Award Notice, were not selected for phase one contract award and remain eligible for further award phases until all 76 awards (plus ties) are complete.

Please note, no offeror is eliminated from award consideration. GSA intends to proceed in phases as offerors are eligible for award. If you do not receive an award notification with this phase, please understand that your proposal is still under consideration and you have not been eliminated from competition. You will be notified of the status of your offer during a later award phase. Debriefing letters will be provided once all award phases are completed.

We appreciate your interest and patience with the Solicitation. GSA will work expeditiously to award the next phase in Q2, FY27.

Federal customers interested in the GSA GWAC Program should refer to the GSA GWAC webpage at www.gsa.gov/gwacs for more information about when the new Alliant 3 GWAC awardees will be able to accept task orders. The Notice to Proceed will be issued separately.

The GSA GWAC webpage provides information on the various GSA GWAC features and benefits, such as how Federal Contracting Officers can obtain a Delegation of Procurement (DPA) training, scope compatibility reviews, and market research tools to assist your organization in the procurement process.

Written correspondence may be sent to the Contracting Officer at alliant3@gsa.gov.
